# Rich Broadcloth Suits, \$29.50

## An Unusually Low Price.

Suits of such excellence will surprise you at this low rice. They have just been received and are fashioned of rich and handsome chiffon broadcloth, of an elegant lustrous finish, in navy, black, brown, and taupe.

Their desirability is greatly increased by the plain yet beautiful trimming of velvet. The coat is a modified cutaway model of the latest conception in the popular and modish 32-inch length; semi-belted back, trimmed with a large braid medallion and velvet buttons. The deep, broad Tuxedo collar is of velvet, and the straight narrow sleeves have a beautiful turn-back cuff of velvet. The skirt is a smart new style and is adorned with buttons and touches of velvet to match the coat.

The value is an exceptionally worthy one, the maker allowing us a notable price concession in acknowledgment of our business relations and to keep his tailors employ. A quality worthy to be marked at \$35.00.
